

Camp Coqui at El Conquistador Resort is a wonderful option for entertaining your child(ren) ages 4 – 12.

Camp Coqui is an outdoor recreation program designed for children. Our goal is to enhance your child's experience through the provision of recreational activities during their stay at El Conquistador. Children should wear a swimsuit under casual clothes (T-shirts, shorts and sneakers), as well as sun block during the day. The children need to be completely potty-trained, no training pants are allowed and the child must be able to communicate. Parents will take their children to Club Coqui, located at the Main Pool and pick them up at the same place.

The Club schedules and prices are as follows:

- 9 a.m. - 4 p.m. = \$75 per child, includes lunch and snacks
- Half day = \$45 per child, includes snacks
- Night camp (only on Holidays)
- 6 p.m. – 12 a.m. =\$95 per child includes dinner and snacks

A variety of outdoor games are offered, such as swimming, scavenger hunts, campfires and evening "dive-in" movies. We also entertain children with indoor games such as watercolor and face painting, "tattooing", videos and arts and crafts. The Club House is equipped with all kinds of table games, beach balls, sports equipment, arts & crafts, music and toys. Activities may vary due to weather, number of children and/or skill levels of children.

PLEASE NOTE: Parents must sign a Regulation & Release Form when registering their children.

Camp Coqui is an exciting club for children, designed so that both parents and kids have a great time while staying at El Conquistador. Camp Coqui offers numerous recreational and educational activities for children aged 4 to 12 years old. They will experience kayaking over coral reefs, snorkeling, sand sculpting, nature walks, arts and crafts, scavenger hunts, mini Olympics, relay races, soccer, kickball, and many more fun things. All activities take place under the watchful eyes of carefully selected counselors, allowing children to make friends in a safe and friendly environment. Some days we do something totally different to what's planned depending on the weather or amount of kids in camp.

Camp Coqui Guidelines:

- Camp Coqui is a daily-supervised program for kids 4-12 years old.
- Daily charge is \$75.00 per child. This charge includes lunch, snack, and activities.
