

For centuries South Pacific Islanders have used a blend of pure virgin coconut oil and local nut extracts infused with tropical flowers to soften, moisturize and protect the skin. From the pristine environment of Fiji, comes an extraordinary moisturizing body treatment. Tropical Coconut Sugar Scrub with fresh sugar cane crystals contains naturally occurring alpha hydroxyl to gently buff away aging skin cells, polish your skin clean and unclog pores. Added to this is the deep moisturizing richness of a blend of cold pressed virgin coconut oil and exotic nut extract to nourish, moisturize and protect your beautiful skin - leaving it glowingly healthy. Ideal for all skin types. Call Ext. 7300 for more information or stop by our Spa Concierge today!
