Tierra Del Yunque

Tracing its roots back to ancient Taino civilizations, this therapeutic treatment uses an intense mineral rich aromafango known for its many therapeutic benefits, especially its detoxifying effects and reduction of muscular spasm and pain. Our lush treatment begins with a dry brush exfoliation to loosen dead skin and stimulate the lymphatic system. Heated mud is then applied to the body and you are wrapped in warmth to encourage maximum purification while a decadent hot oil scalp & marma face massage is performed. Next, a hydrating vitamin rich body lotion is applied and a 25min. back, neck and shoulder massage completes your experience. 100 minutes, \$175+

Guava-licious *(Ki' Spa ~ designed for kids)*

A taste of our Guava Ceremony, this tropical treat includes a sweet guava body polish to remove and re-hydrate dry skin. A warm guava hand masque is then applied and wrapped in warmth for maximum absorption while a Fijian warm oil scalp massage sweeps you away to island bliss. 50 minutes, \$120+
